Key for flower O = orange

Key for fruit color: GRB = green with red blush, OR = orange-red, RO = red-orange, YG = yellow green, YRB = yellow with red blush

Key for disease rating: R = resistant, T = tolerates disease still useful ornamentally, S = susceptible not ornamentally acceptable

Key for disease authority, disease rating followed by 1= Dirr, 2 = Flint, 3 = Hasselkaus, 4 = Smith
